Our Two Cents

WELCOME TO OUR NEWSLETTER

Welcome to First State Bank Southwest's first edition of Our Two Cents!

First State Bank Southwest is constantly looking for ways to inform you, our customers, about the growing number of products and services we have added throughout the years. That's why we have put together a quarterly newsletter for your viewing.

You will hear from the President/CEO, meet employees from the bank, learn about our products and stay up to date with all the bank's happenings with each issue.

You put your faith and trust in us so we can work hard to provide quality service you deserve, and for that, we thank you.

Please feel free to contact us if you have any feedback or would like to see anything in our next newsletter!

EMPLOYEE SPOTLIGHT

Mark has been working at First State Bank Southwest for 12 years and his title is Executive Vice President.

His banking career started in 1999 while going to college working as a teller and interning in the lending dept. He received his Graduate Degree in Banking in 2015 from the Univ of Wisconsin.

He and his wife Crystal live in Worthington and have 4 children which keep them busy with the kids' activities.

He is currently serving as President of the Worthington Christian School Board, serves on the Worthington Noon Kiwanis Board after being Treasurer for many years, member of the Sanford Worthington Hospital Advisory Board, and is member of the Chamber Sports and Rec Committee.

He enjoys spending time on the lake boating, golfing, and being with family. Mark is based out of the Worthington branch on Oxford Street.

PRODUCT FEATURE

Person to Person

This convenient feature is an enhancement to our bill pay system. It allows you to make person to person payments electronically to anyone you choose, such as a landlord, babysitter or relative. Sending money electronically is faster, more convenient and more secure than sending a check. And even when a paper check is necessary, online bill pay can save you time. That's because we mail your check directly to the recipient, which saves you a trip to the post office.

How it works:

Choose the option that is best for you.

- Provide the recipients email address or mobile phone number and a secure password of your choosing. The recipient then logs in to a secure site using that password and provides the required account information. A payment is deposited electronically from your account into their account.
- Provide the recipients bank routing number and deposit account information and a payment is sent electronically.
- Provide the recipients mailing address and a paper check will be mailed.

How to get started:

When you add a payee, simply choose to add an individual rather than a company or business.
