

EMPLOYEE SPOTLIGHT

Emaleigh Stugelmeyer has been working at FSBSW for 2 years and her title is Customer Service Representative.

Her banking career started in 2013 as a part time teller while she was going to college. Emaleigh graduated from MN West in Worthington in 2015 with her AAS Accounting degree.

Emaleigh and her husband, Tyler, live in Edgerton with their two boys – Mason (2) and Easton (6 mo) who keep them busy!

Emaleigh is usually the friendly voice you hear when you call our Pipestone office. She can help with all areas of customer service, teller work, and some secretarial work in the Real Estate department. Emaleigh is also a database and spreadsheet wiz!

She and her family enjoy all things outdoors – hunting, fishing, golfing and spending time with their family and friends.

Community Banking Month

April was Community Banking month! What a great time to showcase our character as a bank. It's a very busy month through out our offices but the response we get from our communities is very gratifying!

The biggest events we host through out the month are our Community Pride Award Ceremonies. This year we gave three Community Pride Awards - one in Edgerton, one in Worthington and one in Pipestone. Each of our recipients receives a large sum of money to donate to a non profit of their choice and a crystal award symbolizing our appreciation of their efforts in our communities.

Edgerton's award ceremony was held on Monday, April 1st and the Community Pride Award was given to Art and Mayme Spronk. They chose to give their donation to the Edgerton Ambulance Service.
